

# Alexandria, MN

## **The Area**

Founded in 1858, Alexandria is known for its abundant outdoor recreational activities. The city boasts beaches, live music concerts during the summer and great options for fun at the surrounding lakes. You won't be bored exploring Alexandria and all it has to offer.

Alexandria has a large population of senior citizens whose homes need repair.

## **Our Partner**

Our partner offers energy assistance to low income residents, veterans and elderly residents in the community. They also provide weatherization programs to community members to help decrease the energy burden that residents feel during the long winter months.

## **Lodging Information**

Participants will stay in a facility that is \*fully air-conditioned and with private showers. If you're worried about modesty, bring your swimsuit. Everyone will be sleeping on floors, gender separate, so bring your air mattresses!

*\*Subject to change.*

## **The Need**

You'll be working throughout the city to do exterior painting for residents and mobile home skirting to help protect homes during the winter months.

## **Area Activities**

Enjoy a day at the indoor water park or if being outside is more your style, there is an abundance of water activities to enjoy. Boating, fishing, hiking trails, paddle boarding, jet skis and even boat rides all can be found within minutes of Alexandria.
