

Denver, CO

The Area

The "Mile High City" boasts 300 days of sunshine, a thriving cultural scene, and stunning natural areas including the Rocky Mountains that will beckon your visit. Denver credits the Gold Rush for its beginnings. Museums and mining villages tell the history of the Wild Wild West.

Week of Hope Denver is unique because quite a few project sites are in the middle of the city! The huge needs in the community involve homelessness and food distribution. We will partner with many food banks, feeding programs, community gardens, and ministries / organizations that are committed to provide relief for families and individuals experiencing homelessness.

Projects

Some of our partners include:

- Urban Ministry – This non-profit provides a support system for people who have been isolated by poverty, substance abuse, gangs, imprisonment, homelessness, abuse and neglect. You will have the opportunity to serve families and youth in low-income communities in several ways.
- Horse Therapeutic Center – This organization is committed to meeting the needs of children with disabilities, adults, troubled youth and disabled veterans. Participants will help with weeding and gardening, painting fences and animal buildings, and beautifying the sensory area and pasture fence. Campers who are 14 or older may be able to help instructors with daily therapy classes.
- Downtown Homeless Meal Program – This organization provides meals for youth ages 15 through 24 who are experiencing homelessness or at risk of becoming homeless. Participants will prepare and serve a hot and nutritious meal.

Our Local Partner

Our Local Coordinator in Denver maintains connections year-round with the organizations we serve, creating sustainable service and relationships.

Lodging Information

You will stay in a local facility with *air-conditioning throughout the building. Tent showers are provided.

**Subject to change.*
