The Area

Northern Colorado is home to many neighboring communities including Greeley, Longmont, Loveland, Fort Collins, and Wellington—all with unique needs. While you spend time with the elderly, the disabled, and the homeless, you might just find that through serving others, yours is the life being changed.

Week of Hope participants will help greatly in each community through summer camps, homeless ministries, day programs, residential projects, and more.

Projects

Projects may include:

- Helping with yard work, painting, cleaning, and organizing at a non-profit that cares for abused and neglected children.
- Sorting and boxing items that are sent out internationally. You get to be the hands and feet of Jesus for an organization that helps fight poverty through sustainable programs.
- Work one-on-one with kids with mental disabilities as their buddy.

Our Local Partner

Our Local Coordinator in Loveland maintains connections year-round with the organizations we serve, creating sustainable service and relationships.
